AuSAFE

AuSAFE is a Registered Training Organisation with the National Provider Number of 21802 as a provider of First Aid training and is licensed by the Victorian Police Licensing & Regulation Division (LRD) as a Private Security Training Provider (Licence No: 785-476-70S). All Training Staff are experienced and licensed by the Victorian Police Licensing & Regulation Division (LRD) to deliver the security training packages on offer at AuSAFE.

Training Facilities

The training facilities at AuSAFE include; Digital LCD projectors / Large Viewing Screens / Surround Sound. AuSAFE has a large assortment of training aids for all students to use and interact with. AuSAFE is able to offer one-on-one training for students who require just that little more coaching. The facilities are able to be accessed day or night for those students who wish to use any of the equipment on offer. Before any training course gets underway an induction program is conducted covering course requirements, assessment methods and available learning resources.

Where do I find the training room?

At the Certificate III level, the training can be conducted at our training facilities throughout metro Melbourne and various Country Victoria locations:

Head Office:

8 Station St, Ringwood

Country Locations:

Ballarat; Warnambool; Hamilton; Echuca.

(Note: Due to class availability for country training locations and timings, contact AuSAFE Head Office for details.)

Course Dates

All courses are conducted throughout the year depending on the demand and availability of course instructors.

All day courses start at 09:00 hrs and run until 17:00 hrs

All night courses start at 18:00 hrs and run until 22:00 hrs

Courses are conducted during the week and on some weekends (as required)

Firearms Re-qualification

CPPSEC3008A

Control Security Risk Situations Using Firearms

Registered Training Organisation 21802

NATIONALLY RECOGNISED TRAINING

Firearms Re-qualification: CPPSEC3008A

Welcome, and thank you for taking the time and interest to find out about a training course with AuSAFE. We invite you to read this information brochure and come and train with us,

The purpose of the course is to re-qualify a licensed Armed Guard or Cash in Transit Security Officer to comply with Victorian State Firearms laws.

Class Size

Generally a minimum of 4 participants is required for a training session with a maximum of 25 participants.

Prerequisites

Students are required to be a minimum of 18 yrs of age and pass a Language, Literacy and Numeracy (LLN) assessment prior, hold a current Security Licence with AG / CiT and a current Security Firearms Licence, prior to being accepted and enrolled on the course.

Length of Training Sessions

The training is conducted using the face to face delivery method, over 16 hrs, 2 sessions of 8 hours. Session 1: theory & assessment, Session 2: Practical training & assessment.

Enrolment & Orientation

Enrolment consists of a Student Enrolment Form being filled out, signed and returned to AuSAFE along with payment. Confirmation of enrolment will be received along with the course specific learning material. All students will be inducted to AuSAFE when they receive their workbook. All relevant information will be available for students to read and refer to as required.

The structure of the course incorporates the following National Qualification / Units of Competency:

	CPPSEC3008A	Control security risk situations using firearms

AuSAFE is able to instruct and qualify students in the following categories of firearms:

Revolver, Semi-Automatic Pistol, Shotgun & Centerfire Rifle.

It is a legal requirement, once a student has qualified in Certificate III in Security Operations, with a specilisation of Armed Guard / Cash in Transit and holds a Security Firearms Licence, that the student re-qualify every 12 months to stay current. Further information

The following information comes from the Victoria Police website:
www.police.vic.gov.au

Firearms 12 month Re-qualification Training Requirements

Release date: Wed 5 May 2010
Last updated: Wed 5 May 2010

The holder of a firearm licence for the purpose of Security Guard (as Employee) or Prison Guard under the Firearms Act 1996 has a condition imposed on the licence to re-qualify at an approved industry specific firearms training course every 12 months. (No later than the date of the course attended the previous year).The current approved security industry specific firearms training course is:

CPPSEC3008A: Control Security Risk Situation Using Firearms

This course is a two day (16 hours) training program to be undertaken by an approved firearms training organisation.

Certification

Upon successful completion of this course, participants will be awarded a

Statement of Attainment
CPPSEC3008A: Control security risk situations using firearms

This certification is used by the student to re-qualify and remain current to hold a Victorian security firearms licence.

Course Deposits

For Fee for Service courses there is a requirement of a deposit of half the course cost. The remaining fees will be required to be paid in full before a qualification will be issued. The deposit will be held in trust until the first day of the training course.

Refund Policy

In the event of the course being cancelled or postponed by more than 4 weeks, all fees will be refunded. To withdraw from a course prior to commencement and obtain a full refund, a 'notification of intention not to attend' must be received in writing by AuSAFE at least seven (7) working days prior to the start of the course. No refunds will be given for withdrawal after the training course has commenced.

RPL Policy

Recognition of Prior Learning is available to students who believe they can demonstrate training in current competencies. The student will be required to fill out a separate application form. The student will also be required to produce a portfolio of knowledge and experience (whether formal or informal training, work experience, life experience) and be willing to be interviewed / observed undertaking tasks in a simulated or real workplace. The student will need to inquire with the workplace assessor & trainer / chief instructor.

Assessments

All students will be assessed on the basis of the critical evidence required for each unit of competency. The assessments include written assignments, tests, projects, role plays and practical demonstrations. All assessment areas must be completed to meet the competency requirements of the training.

Complaints / Appeals

AuSAFE will manage all complaints as fairly, equitably and efficiently as possible. It will encourage the parties to approach the complaint with an open mind and resolve problems through discussion and conciliation. Where a complaint cannot be resolved through discussion and conciliation, AuSAFE acknowledges the need for an appropriate external and independent person to mediate between the parties.

Discipline Policy

AuSAFE adheres to a strict policy of discipline; the policy will be explained in the student induction.
